**Town of Colton Tourism & Beautification Committee Announces**

# Fifth Annual
# Remembrance Tree Project

**In conjunction with the Colton Historical Society's**
**2018 Winter Lights Event and Reception**
**and the Town's 2019 Winterfest**

## EARLY DEADLINE . . . FRIDAY, NOVEMBER 9 !

**Remembrance Trees** are a great way for residents and others to celebrate the upcoming holidays and brighten the winter nights. You can order a tree measuring about 5 feet tall to honor your family, remember a loved one or special event, or just add sparkle and warmth during the holidays and winter season. After Thanksgiving the Town of Colton's Tourism & Beautification Committee will set up ordered Remembrance Trees in the hamlets of Colton and South Colton. In Colton they will be along Main Street, split between the Museum lawn next to the Zion Episcopal Church and the Green between the Library and Town Hall. And in South Colton they will be in Three Falls Park at the corner of State Highway 56 and Sugar Bush Lane. The trees will be lighted on the evening of Friday, December 7—first in South Colton at 6pm; then in Colton at 6:30pm. And again this year, following the lightings in South Colton and Colton, the Colton Historical Society will host a reception in the Town Hall on Main Street during which the names of those honored will be read while refreshments are served.

**Cost to participate is still just $35.00**—includes cost of the tree plus set up and power cord run to the location of the tree. The Tourism & Beautification Committee will identify each tree with a laminated tag naming those remembered and the sponsor(s). Any lighting added by sponsors must be LEDs in whatever color(s) desired. Non-electrical decorations, garland, tinsel, and non-glass ornaments also are allowed. Trees will be left up and lighted through Winterfest in January 2019. Any lights and decorations still on trees on February 1st will be discarded or become the property of the Tourism & Beautification Committee.

## Be part of the annual remembrance project !

Fill out the order form below…**using only one form for each tree ordered**. Then mail or deliver it by Friday, November 9 with payment to: Town Hall (c/o Tourism & Beautification Committee), 94 Main Street, Colton, New York 13625. Order forms also are available on the town website (www.townofcolton.com) as well as at the Town Hall on Main Street and in the J. R. Watson Community Center on Sugar Bush Lane.

**Questions?** Contact Dave Crosby (315-212-0674; or dcrosby0674@gmail.com)
