

# Town of Colton Winterfest Weekend January 25-28, 2018

## Silent Auction of Gift Baskets

### Participation Form

→ Return to Scott Muller by December 8, 2017 ←

The town's annual Winterfest Weekend benefits the Neighborhood Center serving Colton, Pierrepont, and Parishville. Special fund raising activities are held during the festival for this purpose.

During the 2017 Winterfest Weekend a Silent Auction of Gift Baskets organized by the town's Tourism & Beautification Committee raised over \$375; and so given the success the committee is once again organizing another Silent Auction of Gift Baskets for the 2018 festival. We hope, however, businesses, organizations, clubs, groups, and other entities will jump in and help by donating a gift basket, contributing items for a themed basket, or contributing financially for the committee to purchase items for baskets.

If you would like to support the Neighborhood Center by participating in the Silent Auction of Gift Baskets, then please complete this form and return it to Scott Muller by Friday, December 8 at the latest. Scott can be contacted by calling 315-244-9956. If contributing financially, then cash or checks can be accepted; and checks should be made out to 'Town of Colton.' All contributions (baskets, items, or funds) are due no later than Friday, January 12 for planning and publicity purposes.

Last year the fourteen (14) gift baskets auctioned had seasonal, regional, food, craft, and Valentine themes with titles like Chill, Counting the Days 'til Spring, Adirondacks, Maple in All its Glory, Queen Bee, Crafter's Delight, and Love and Kisses. A list of the contents was attached to the basket so bidders clearly knew what they were bidding on.

As an example, the Queen Bee Gift Basket included:

- Queen Bee mug
- Handmade pot holder
- Bees wax candle
- Honey flavored green tea
- CD of Bee Children
- Squeak Creek honey
