Whitewater kayaking coincides with water releases by Brookfield Renewable Energy. And the Colton Riverside Performances are made possible, in part, with funds from the Decentralization Program, a regrant program of the NYS Council on the Arts, with the support of Governor Andrew Cuomo and the New York State Legislature as administered by the St. Lawrence County Arts Council. Performances also are supported by five local business sponsors—Adirondack Canoe & Kayak Co.; Hide Away Café; Paula Youmell / Wise Woman Nurse; Raquette River Pub; and White's General Store.
